01/2020 - Present

I have worked as a freelancer since 2020 on various freelance platforms such as Upwork, Nafazly, and Mosatql. I have completed over 50 projects for different clients, and I am grateful to have received excellent ratings and feedback for my work. I utilize the latest technologies including Bootstrap, jQuery, JavaScript, Laravel, MySQL, Sass, and PHP in building projects. During this period, I also had the opportunity to work with a Saudi Arabian company called Dali. I was involved in developing a complete system using WordPress, and I worked on numerous independent projects as well, also utilizing WordPress.
